

# Bullying

Contributed by Administrator  
Last Updated Wednesday, 16 March 2016

At Cockle Bay we have a robust "Behaviour and Bullying Behaviour Policy"(see our website under Community &ndash;

&ndash; Nag 5 Health and Safety) and take issues of bullying very seriously. All students are given instruction in

how to deal with bullying, including how to stand up for themselves and others, at the start of every school year

as part of the Ready, Steady, Go topic. All our teachers are skilled at helping resolve issues of bullying and are

supported by experienced Team Leaders and Senior Leaders.

If you have any concerns that your child is the victim of bullying/cyber bullying at school or are worried

that your child is being a bully please don't hesitate to speak to your child's teacher.
