Mufti Days are major fundraising events, which occur every term.

They either fundraise for the school, charities, or a World Vision child. Children can wear casual clothes, or the type of clothing that is worn during the weekend.

Children bring a gold coin donation, which allows them to wear mufti to school.

Sometimes instead of Mufti we have a 'dress up' day. This can include, dressing like a bug, a wacky hair day or a character from a children's book.
