Dear CBS families,

Please be advised that the school pool will be closed for the duration of the upcoming summer break in December and January to allow for essential maintenance and upgrades. This work is necessary to ensure the long-term safety and functionality of the facility for our students.

Following the completion of this maintenance, we will also be conducting a thorough risk assessment to further enhance the safety of our pool area. We appreciate your understanding and cooperation as we work to make these important improvements.

As always, the school grounds and playground areas will remain open for our CBS families and community to enjoy over the summer break. We are grateful for your continued vigilance in helping to keep our grounds clean and tidy for everyone's enjoyment.

Thank you for your support.
